Missed opportunity – Nasal flu vaccine
Contact details – how to book

Dear Parent/Guardian

The School Aged Immunisation Service visited your school recently to offer the nasal flu vaccination. If your child is in Reception to Year 7 and missed this opportunity to be vaccinated and you would like your child to receive the vaccine **please contact us to book an appointment** at one of our community catch up clinics.

If your child is in a clinical risk group or shielded group you can also access the vaccine via your GP surgery.

To book an appointment please contact our 0-19 Admin hub on **0800 170 7055 (option 4)**.

Please visit <https://www.nhs.uk/conditions/vaccinations/flu-influenza-vaccine/> for further advice about the vaccination programme and details about the small number of children for whom the nasal vaccine is not appropriate

Yours sincerely

School aged immunisation team
