25th March 2021

Dear Parents,

As the school term draws to an end, I wanted to clarify the procedures for notifying the school of confirmed positive COVID cases for our pupils over the holiday period.

The school will notify contacts of confirmed positive cases for the first 48 hours of the holiday. After that, NHS Track and Trace will notify contacts, but you should still inform school for information.

Pupil's symptoms began on (or date of positive test)		
Saturday 27 th March	Sunday 28 th March	Monday 29 th March – Monday 12 th April
Parents inform school immediately (via email). School will notify individuals within respective bubble who may have come into contact on Thursday 25 th and Friday 26 th March. Notified individuals will have to self-isolate for 10 days.	Parents inform school immediately (via email). School will notify individuals within respective bubble who may have come into contact on Friday 26 th March. Notified individuals will have to self-isolate for 10 days.	Parents should email positive test information to school <u>for information only</u> . NHS Track and Trace will notify contacts.
Contact us using our normal email address: admin@danesholmejunioracademy.org		

If there is anything you are at all unsure about, please contact the school before the end of term for clarification.

Yours sincerely,

Mrs K Rolf
Principal
